www.baylakepto.org

Our purpose is to support education at Bay Lake Elementary by fostering relationships among the community, parents, and teachers.

Services and in-kind contributions can be substituted in lieu of monetary donations

BE THE DIFFERENCE

Please consider partnering with Bay Lake Elementary School as a community business sponsor.

100% of your tax-deductible donation will go to Bay Lake Elementary and our PTO supported programs. This is an excellent opportunity to advertise your local business while supporting our school.

PARTNERS IN EDUCATION

All sponsors have the opportunity to also register as an OCPS Partner in Education. The Partners in Education program links businesses and organizations with schools to share resources, both in people and materials. Each flourishes from the support and prosperity of the other. When businesses take part in the education of young people, they strengthen the work force of the future. The Partners in Education program is vital in helping the community and the school system work and grow together. https://www.ocps.net/departments/community_resources_/partners_in_education/
